Special Trade Prices

Picea Alba (White Spruce)

Described by Bailey, the eminent horticulturist, as "A native of North America." Derives the name White Spruce due to its light, frosty green foliage, slightly tinged with blue.

	100	1,000
6- 8 inch Once Transplanted.....	\$15.00	\$140.00
8-10 inch Twice Transplanted.....	25.00
10-12 inch Twice Transplanted.....	35.00

Picea Canadensis (Black Hill Spruce)

Somewhat similar and closely related to White Spruce, but much more symmetrical, compact, and bushy. Hardest of all Spruces. Foliage varies from green to bluish tint.

	100	1,000
6- 8 inch Once Transplanted.....	\$10.00	\$ 80.00
10-12 inch Twice Transplanted.....	25.00	150.00

Abies Douglassi (Douglas Fir) (Colorado Seed)

Our plants are the type from Northern Colorado, the seed being collected in deep gorges of high altitudes where the blue and silvery foliage is characteristic, being compact and symmetrical in growth. (Discovered by David Douglas, the eminent Scotch explorer, in 1827.)

	100	1,000
6- 8 inch Once Transplanted.....	\$10.00	\$ 80.00
10-12 inch Twice Transplanted.....	25.00	150.00

AMERICAN ARBOR VITAE (White Cedar)

(Thuja Occidentalis)

Being the leading and popular Evergreen hedge plant. This species is also used as the understock for grafting all the different varieties of Thuja. For this purpose the once transplanted size is mainly used. We are careful to obtain our seed from Northern sources, producing stock of absolute hardiness, good green color, and compact habit of growth.

	100	1,000
8-10 inch Once Transplanted.....	\$ 8.50	\$ 75.00
10-12 inch Once Transplanted.....	10.00	90.00
12-18 inch Twice Transplanted.....	20.00	150.00

Abies Tsuga Canadensis (Hemlock)

The value of our strain of Hemlocks is based on seed selection from Northern sources only, insuring hardiness and free, graceful, upright growth.

	100	1,000
6- 8 inch Once Transplanted.....	\$15.00	\$140.00
10-12 inch Twice Transplanted.....	25.00	200.00

Lily of the Valley, per 1,000.....	20.00

Seeds of Blue Spruce, Blue Juniper, Golden Arbor Vitae, American Arbor Vitae, Chinese Arbor Vitae, and other leading Evergreens priced on application.

We are having better success with young evergreens planted in August and September than in spring. They make nearly as much growth, don't need the water, as if planted in spring, and avoid the hot, dry months.

Our Want List

Evergreens Lining out stock Peonies
Barberry Thumb Fruit Trees
Dahlias Hedge

*Mail us your surplus list and we
will exchange for any we can use.*

REPORT OF FLORIST WE SOLD AUGUST, 1923
